SR .28 E .86

Black
SR .30 E .85

Galvalume
SR .69 E .06

Colors shown on this chart may vary slightly from actual metal products.

1. Kynar 500 color palette has a 35 year limited warranty. See our website for complete warranty details. (<https://dcsn.net/wp-content/uploads/2016/12/DCSM-Kynar-500-Warranty.pdf>)
2. The 5V Crimp and R-Panel color palette has a 30 year limited warranty. See our website for complete warranty details. (<https://dcsn.net/wp-content/uploads/2016/12/DCSM-26g-painted-galv-warranty.pdf>)
3. All D.C.S.M., Inc. products are fabricated from galvalume. Galvalume sheet uses a patented aluminum-zinc alloy coating, not the usual zinc only coating used on conventional galvanized sheet. This coating is 55% aluminum, 43.4% zinc, 1.6% silicon (nominal percentage by weight).
4. The Kynar 500 color palette is the standard for 24 gauge DCSM Standing Seam Metal Roof Systems. However, it is available as an upgrade for DCSM 5-V Crimp Metal Roof Systems in 24 gauge, and select colors are available in 26 gauge for DCSM Standing seam and 5V Crimp Metal Roof Systems (please call our office for details).
